Bharat International Rice Conference 2025 (BIRC 2025)
October 30–31, 2025
Bharat Mandapam, Pragati Maidan, New Delhi.

Dear Sir / Madam,

Greetings from the High Commission of India, Kigali.

We are pleased to inform you that Indian Rice Exporters' Federation (IREF) in collaboration with, Agricultural and Processed Food Products Export Development Authority (APEDA), a nodal Agricultural and Processed Food export promotion Authority, under Ministry of Commerce & Industry, Government of India is organizing the Bharat International Rice Conference 2025 (BIRC 2025), scheduled to be held during October 30–31, 2025 at Bharat Mandapam, Pragati Maidan, New Delhi.

As you may be aware that India is now globally the largest producer of rice and also largest exporter of rice including that of basmati rice and is well known for exporting excellent quality different varieties of rice at very competitive price. The BIRC 2025 will be the biggest ever rice exhibition cum conference, bringing together various stakeholders in rice value chain such as rice, exporters, rice importers, research & technological organizations, various value-added products made by start-ups, Farmer Producer Organizations (FPOs), financial institutions, shipment agencies including related government organizations in India on one conferencing platform.

As India's agricultural production increases, India is well-positioned to play a crucial role in global agri-trade to meet the food security needs of the world while facilitating better foreign exchange earnings by expanding the overseas markets while ensuring better livelihood for farmers. The BIRC 2025, therefore, assumes strategic importance as a forum to reaffirm India's commitment to reliable and sustainable food exports, and to deepen partnerships with key importing nations.
